A new website for Balboa Fence.

PREPARED FOR THE BALBOA FENCE COMPANY TEAM · BY ERIC BERG, CRUSH

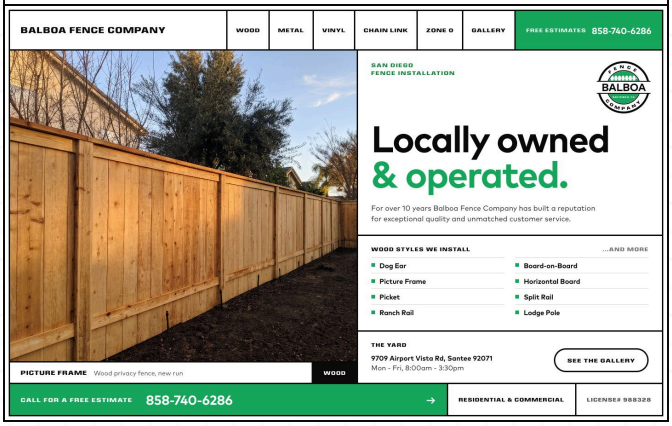

THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

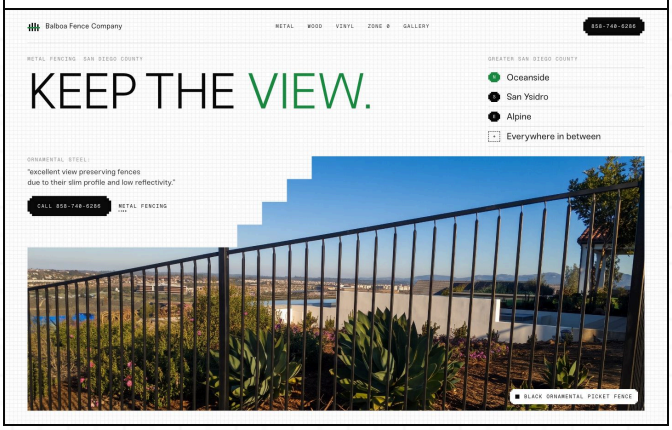

01 BOARD BY BOARD.

02 LOCALLY OWNED & OPERATED.

03 KEEP THE VIEW.

THE LAUNCH

$2,500

for $3,660 of work, one time

Within a week

YOURS

Yours to keep

site and files in your name

01 WHERE WE STARTED

What we built it around.

01

We install all styles and types of wood fences, offering endless possibilities for lumber choices and design.

From your wood page. Option 1 files four of your own wood fences as hanging folders, one per style, under one of your runs re-lit in the last low sun.

02

For over 10 years Balboa Fence Company has built a reputation for exceptional quality and unmatched customer service.

From your homepage. Option 2 is built in your badge's black and green, with the Santee yard and your hours right in the first screen.

03

We proudly serve greater San Diego County from Oceanside to San Ysidro to Alpine and everywhere in between!

From your contact page. Option 3 is the light one: your black picket fence over the valley, with your view-preserving line about ornamental steel.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new site for Balboa: the homepage, a gallery of your fences and gates, your services and a quote request form, built out from the top you've just seen. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your past clients and neighbourhood contacts, so the homeowners who already know your work hear about the new site from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant that answers your line while you're out on a job, so new quote requests still get an answer, and every call becomes a short written record.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 8 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email and line it up for your past clients, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. It's built lean and tested on a preview before anything goes live, and your quote form keeps sending to the same inbox it does now.

03

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.

06

What if the Zone 0 rules change?

Then the site changes with it. Service pages are easy to update, and if the state's rules shift before launch, I'll rewrite those pages as part of the build.
